Please consider the following menus a sample of what we have to offer, not all we have to offer. Our philosophy at Red's Place is to tailor each and every menu to meet each customers unique needs, style, and budget. Our on-staff Chef will personally aide you in the planning of every phase of your event, as well as oversee every step of it's preparation and execution.

Our tastefully decorated facility is available Monday through Friday after three o'clock P.M. and all day Saturday and Sunday. We are the perfect venue for events ranging from baby showers to elegant cocktail receptions. Red's Place is the ideal setting for intimate gatherings such as wedding rehearsal dinners and birthday celebrations, because unlike many restaurants and party centers, our facility is exclusively yours for the entirety of your event. Red's Place also offers off-site catering, which means we bring the party to you. Our professional staff is always available to assist you with a party or event at your office, business, or home.
